EXPERIENCE

SENIOR VIDEO EDITOR - (JULY. 2020 – DEC.2022)

PROS & PROFESSIONAL WORKS – New York City, America

- Interacted with clients to produce the final product and build future relationships.
- Transcoded videos in codecs, bit rates, and aspect ratios for online posting.
- Utilized graphical elements, key frame animation, and sound to convey information.
- Created and maintained video and audio record archives or all productions.

FRONT-END DEVELOPER - (FEB.2023 – PRESENT)

E-TECH PRODUCTIONS – Islamabad, Pakistan

- Collaborated with cross-functional teams to design, develop, and implement user-friendly and responsive web applications.
- Translated design mockups and wireframes into clean, efficient, and maintainable code using HTML, CSS, and JavaScript.
- Worked closely with UI/UX designers to provide input on design feasibility and to ensure the implementation aligns with the intended user experience.
- Collaborated with backend developers to integrate front-end components with the underlying server-side logic.
